### TRAVEL/DOCUMENTS

A valid passport is required.

You will fill out a tourist entry document to enter Chile, and you will be given a copy. You must surrender your copy to Chilean Immigrations upon departure. **Do not lose this document**, as it will cause delays if you do not have it when you exit the country.

### TRAVEL LOGISTICS

Many carriers, such as American, Delta, United Airlines and LAN Airlines Chile offer flight service to Santiago with connections on LAN or Sky Airlines to Puerto Montt.

After clearing Immigration, you will collect your bags, clear Customs and take the elevator to the 3<sup>rd</sup> floor, to the domestic flight departure area of the airport. You will recheck your luggage and continue on to the LAN or Sky Airlines flight to Puerto Montt (1 hour, 45 minute flight). Note: for this flight, you can check one bag, up to 44 lbs. without additional charges.

Upon arrival in Puerto Montt, you will be met and transferred to Yan Kee Way Lodge – a scenic one hour drive.

You may choose to overnight in Santiago to tour the city and surrounding areas. We suggest Hotel Plaza El Bosque Ebro. Our office can help you with those arrangements. Available tours include, *Cousiño Macul* or *Concha y Toro Winery and Maipo River Canyon*, *Historical Santiago*, *Panoramic Santiago*, or *Viña del Mar and Valparaiso*.

Shops in Santiago, Puerto Montt, and Puerto Varas are generally open 9 AM to 7 PM on weekdays and Saturdays.

There are several good restaurants in Santiago – Astrid y Gastón, Pinpilinpaus y Cia, Park Club Piso 17 (Hotel Plaza El Bosque Ebro), Boscanarre. Keep in mind that Santiago is a dynamic dining environment – it is wise to ask your transfer agent or hotel concierge to make recommendations or assist with reservations for any restaurant. You should plan on eating a little later than you may be used to in the U.S. – many restaurants do not begin serving dinner until 7 PM.

## **WEATHER**

Located in the southern hemisphere, Chile's seasons are reversed (our winter is their summer). Santiago's climate is warm and dry with summer temperatures ranging from lows in the 50s to highs in the 90s. Puerto Montt's climate is cooler and can be wet and windy year-round with summer temperatures ranging from the 40s to the 80s.

## **FOOD & BEVERAGES AT YAN KEE WAY LODGE**

All meals at the lodge will be served at Yan Kee Way's famous restaurant, Latitude 42°. A breakfast of coffee, tea, fruit, cereal, pancakes, breads, meats and eggs to order are all standard fare. The lodge staff will prepare the fixings for your box lunch of soup, sandwiches, empanadas, fruit and cookies, or you may gather for a streamside barbeque. Dinners feature a menu of international and Chilean cuisine complemented with Chilean wines. A selection of premier, fine Chilean wines are available from the wine cellar for purchase.

## **CURRENCY**

You may convert dollars to Chilean pesos at the Santiago airport. According to the U.S. Department of State Travel website, travelers might have difficulty using U.S. \$100 bills due to concerns about counterfeit U.S. currency. Many Chilean banks, exchange houses and business may refuse to accept \$100 bills. Bring smaller bills. Visa, MasterCard and American Express are widely accepted in larger cities and towns.

## **LANGUAGE**

Spanish is spoken as the national language. Your host and most guides at the lodge can converse in English and other languages.

## **GRATUITIES**

For the guides and staff, we suggest a cash tip of 10% of your package price per person at the end of the week. U.S. dollars accepted.
